

International Conference on E-Learning and Educational Technology (ICEET) 2016 - Accepted Manuscript Guidelines

Do not insert page number. Please provide complete contact information of authors, including title, department and e-mail. For the text, please use “two-column” layout and refer to Example of Thesis Writing for further information.

I. Chapter

According to the practice of most of International periodicals, the chapter is distinguished by the font and font size. Please refer to the following instructions:

1. Font size: Times New Roman

Line spacing: Single space

Margins: Default Setting (up/down: 2.54cm, left/right: 3.17cm)

2. Level one heading

The linear model (16 Times New Roman)

3. Level two heading

Overview (14 Times New Roman)

4. Level three heading

Overview (12 Times New Roman)

II. Figures and Tables

Use Times New Roman as punctuation font (see Figure 1; Table 1). Figure captions should be below the figures; table captions should be above the table.

III. References and Notes

Use () to state the author and the year of the reference; for example, (Simpson, 1986) or (Engel et al., 1990). Please use Arabic numerals in superscript for footnotes.
