

International Conference on E-Learning and Educational Technology (ICEET) 2016 – Writing Principal

The style sheet of this periodical is referred from the 《Publication Manual of the American Psychological Association[®], Fifth Edition》. The followings are the brief relevant principals of texts, citation, references, tables and figures:

I. Text

1. Please check the correction of grammar and the fluency of sentences in both abstract and manuscript before contribution.
2. The title of the text should be numbered in order. (i.e., I. Introduction, II. Methods, III. Results, IV. Discussion and V. Conclusions)
3. The title of the text should be ordered in the gradation of I, A, 1, a, (1), (a).
4. All of the names should not be translated and use initials only at the first time in the text. (i.e., J. Dewey) and use the last name (i.e., Dewey) afterwards.
5. Appendix should be placed after References.
6. The limitation for poster presentation is 2 to 4 pages; oral presentation should not exceed 8 pages. Please use Times New Roman font only and refer to the Accepted Manuscript Guidelines for further writing principals.

II. Citation

1. Citation is always consistent with the references.
2. For citations of up to five authors, list all author names in the first citation, i.e., Si-Hua Huang, Yuan-Zhen Liu and Wan-Ting Yan (2011). Afterwards, only list the first author's name, i.e., Si-Hua Huang (2011).
3. For more than six authors, use the first author's name followed by “et al.”, i.e., Robbins et al. (1960); Wu-Dian Wu et al. (1972).
4. For citing different works of the same author, please use “,” to divided the year of publication, i.e., Yuan-Zhen Liu (2007, 2008)
5. Please use “ / ” to identify the year of original and the translation publication, i.e., (Beck, 1991/2001).

6. The page number of the extraction or citation should be stated. If the length of the citation exceeds 40 words, please use them with a new paragraph and make an indent at the beginning.
7. Please use Halfwidth Forms punctuation in every citation.
8. Refer to 《Publication Manual of the American Psychological Association[®], Fifth Edition》 for further principals.

III. Reference

1. References should be listed alphabetically.
2. If it is referred to the USA, please list the initial of the State except big cities such as New York, Chicago, etc.
3. If it is referred to the countries beyond the USA, please list the name of city and nation; only list the name of city if it is well-known, i.e., Paris.
4. List the name of books and periodical volume number in italics.
5. Refer to 《Publication Manual of the American Psychological Association[®], Fifth Edition》 for further principals.

IV. Table and Figure

1. List the title above the table; place sequentially captions and sources under the table.
2. List the title above the figure; place sequentially captions and sources under the figure.
3. Do not state sources if the table or figure is made on your own.
4. Please redo the table or figure if it is too blurred to be recognize after been scanned.
